Login screen

A storyboard diagram for a login screen. It consists of a large rectangular frame. Inside the frame, the text "Login:" is positioned to the left of a rectangular text input box. Below the input box, the text "Login" is centered within a rectangular button. An arrow points from a text box at the bottom left of the page to the "Login" button.

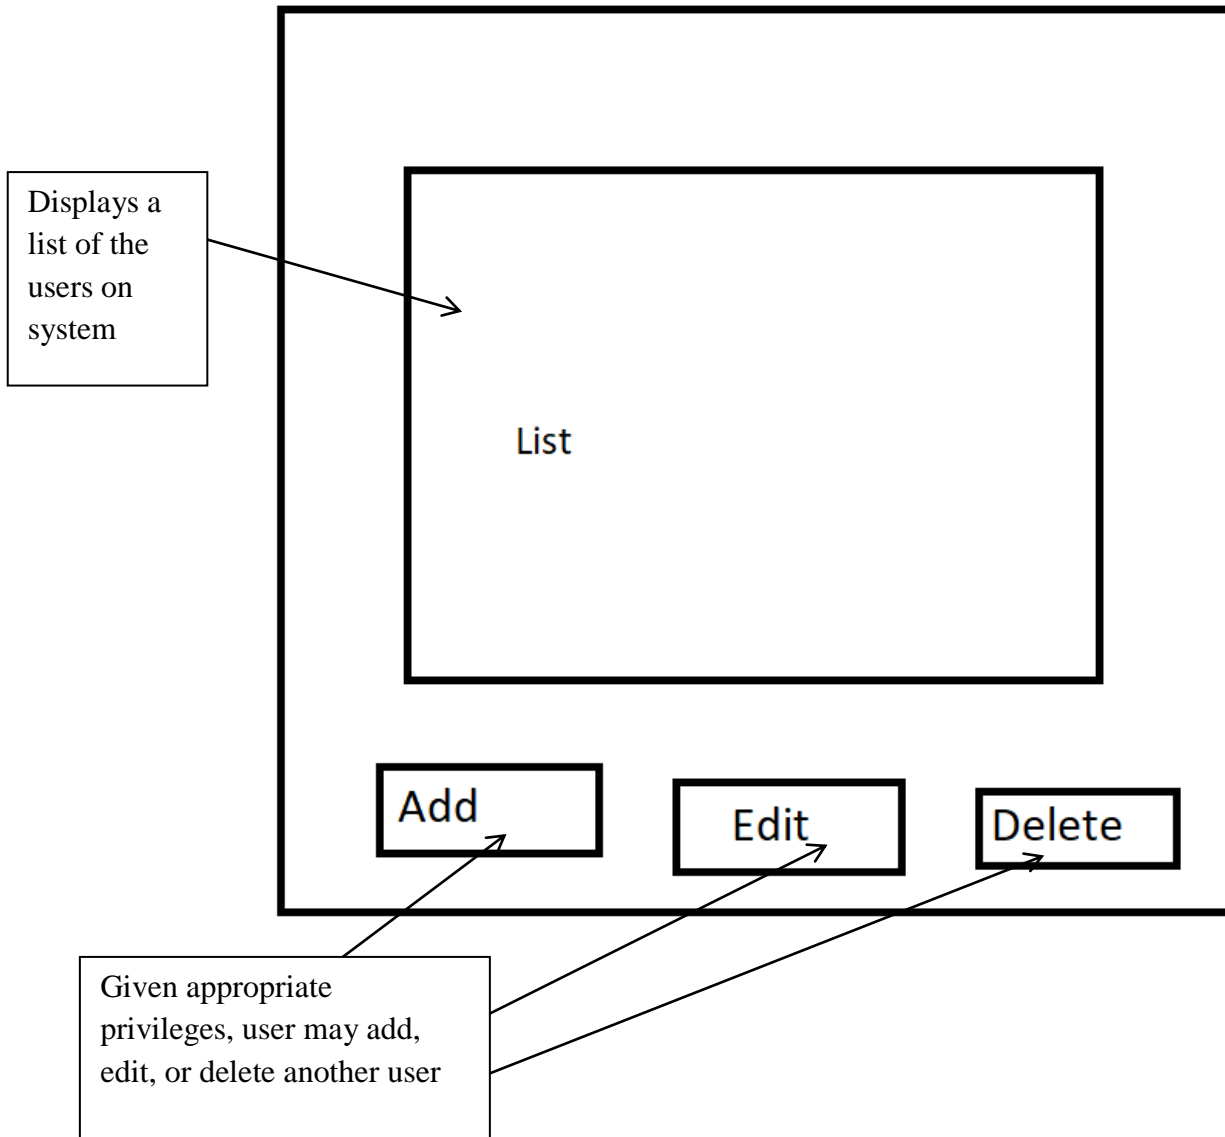

User can login to their photo album. Implement admin and stock usernames. This is a confirmation button with text box above for input
